2000 - here we are

2007, different types of wood, 41 sculptures

2000 - here we are

2007, different types of wood, 41 sculptures

2000 – Here we are

40 figures. 40 bodies. 40 faces.

The figures are facing the viewer. At first glance a crowd. Then individual characters crystallize, grim, brash, demanding, withdrawn, cheerful...

Each one of them stands alone, at the same time all of them together, strong as a group: versatile, highly visible. The way we human beings are.

2000 - here we are
2007, different types of wood, 41 sculptures

2000 – Here we are

41 skulptures

different types of wood: Oak, maple, alder, cherry and other

The sculptures are about 6 inches - 14 inches high.

Situated at a latitude of about 120 inches.
